HOW TO OBTAIN A HOME OCCUPATION PERMIT (ZOC)

Dear Corrales Resident:

Thank you for your interest in operating a home-based business here in the Village of Corrales. Home-based businesses are a valuable asset to our community. However, a home-based business should blend seamlessly with the rest of your neighborhood and should not create any noise, odor, unsightliness, or other situation that is objectionable to your neighbors. When you look at the attached code section you will see that the regulations are all geared towards making your business work not just for you, but also for your neighbors.

After reviewing the Village Ordinance reprinted below, fill out the Application for Home Occupation Permit available at the Village Administration Office or on the Corrales website at www.corrales-nm.org/forms.htm. Fill out an application for each business. No more than four home occupation businesses are permitted on your property. **Submit the application along with nine (9) copies of it, your NM CRS certificate and all other required materials, to Planning and Zoning.** If the application is complete, including payment of the \$35 fee, the administrator will in some cases be able to review, or otherwise will schedule a hearing by the Planning and Zoning Commission within 60 days of a 100% complete application. An incomplete application cannot be considered and will be returned to you for completion. If a hearing date is required, you must post a notice (supplied by the Village) in a conspicuous location where it will be visible to your neighbors. The notice must be posted continuously for fifteen (15) days prior to the hearing.

You should attend the hearing and be able to answer questions about your business. If you are unable to attend the hearing, you may send a representative in your place and provide a signed letter authorizing the representative to speak on your behalf. Neighbors and concerned community members may attend the hearing and have a right to comment, so it may be a good idea to discuss any potential problems with your neighbors beforehand so as to avoid negative comments resulting from misunderstanding or misinterpretation of your intentions.

If your Home Occupation Permit is approved, you will have ninety (90) days to obtain a Village **business registration** (\$35 fee annually renewed). If your application is denied by the Planning and Zoning Commission, you may submit a new application that modifies those aspects of your proposed business that the Commission found to be outside the parameters of the regulations; or, you may appeal the denial to the Village Council. Appeal procedures are described in Section 18-49 of the Village's Code of Ordinances.

If you have any questions about the process or about filling out the form, please contact Planning and Zoning at the Village of Corrales by phone (505-897-0502) or e-mail (pzcoordinator@corrales-nm.org) or make an appointment to see Planning and Zoning in person. We are here to help.

Chapter 18 Land Use Regulations, Section 45(c) Home Occupation Permits.

- (1) *Approval and permit required.* Except as otherwise provided in this Subsection 18-45 (c), no person(s) or entity shall engage in a home business or occupation of any kind in the A-1, A-2 or Historic zones without the issuance, reviews and approval of a home occupation permit.

 - c. If the proposed home occupation does not clearly qualify for administrative approval under Subsection 18-45 (c) (4) (a), the Administrator shall schedule a hearing on the application before the Commission no later than sixty (60) calendar days following the submittal of a completed application. The applicant shall attend or send an authorized representative to the hearing on the date set by the Administrator. The Commission after hearing on the application shall issue approval for a home occupation permit if the Commission finds:
 1. The use of the dwelling for the home occupation shall be clearly incidental and subordinate to its use for residential purposes by the occupants.
