In the event that funds from the Debt Service Reserve Account are used to service the Loan Agreement and the Note, the Borrower shall replenish the Debt Service Reserve Account as soon as reasonably possible by depositing funds in the manner described above until the full amount of the Debt Service Reserve Requirement is on deposit in the Debt Service Reserve Account. So long as the Loan Agreement and the Note are outstanding, whether as to principal, interest, or the administrative fee the Borrower shall fund the Debt Service Reserve Account and identify this in the Annual Audit.

A Replacement Reserve Account is established under this Ordinance, held by the Borrower and funded from the Pledged Revenues in the amount of the Replacement Reserve Requirement. The Borrower shall deposit no less than one-sixth of 5% (that is, 0.8333 %) of the sum of the final principal amount loaned and the amount of the loan subsidy granted to the Borrower from the System Fund into this account in each 12-month period beginning on the Project Completion Date and continuing until the full amount of the Replacement Reserve Requirement is on deposit. The Replacement Reserve Account shall accumulate funds to pay for replacement of parts to ensure the Project is fully operational during the term of the Loan Agreement and Note. In the event that funds from the Replacement Reserve Account are used to pay for replacement of parts, the Borrower shall replenish the Replacement Reserve Account as soon as possible by depositing funds in the manner described above until the full amount of the Replacement Reserve Requirement is on deposit in the Replacement Reserve Account. (B) PARITY OBLIGATIONS AND OTHER APPROVED DEBT(S). The Borrower shall pay the principal, interest and administrative fees of parity obligations and other approved debts which are secured from the Pledged Revenues as and when due.

(C) EQUITABLE AND RATABLE DISTRIBUTION. Obligations of the Borrower secured by the Pledged Revenues on a parity with the Loan Agreement and the Note, from time to time outstanding, shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of their issuance or creation.

(D) DEBT SERVICE AND REPLACEMENT RESERVES. The Borrower shall deduct the required amounts for the debt service reserve account from the Pledged Revenues, and for the replacement reserve account from the System Fund, as and when required.

(E) SUBORDINATE OBLIGATIONS. The Pledged Revenues used for the payment of Subordinate Obligations shall be applied first to the payment of the amounts due under the Loan Agreement and the Note and the payment of Parity Obligations, and then to payment of Subordinate Obligations.

Section 13. LIEN OF LOAN AGREEMENT AND NOTE. The Loan Agreement and the Note shall constitute irrevocable liens upon the Pledged Revenues with priorities on the Pledged Revenues as set forth in Section 12 of this Ordinance. The Borrower hereby pledges and grants a security interest in the Pledged Revenues for the payment of the Note and any other amounts owed by the Borrower to the NMED pursuant to the Loan Agreement.

Section 14. OTHER OBLIGATIONS. Nothing in this Ordinance shall be construed to prevent the Borrower from issuing bonds or other obligations payable from the Pledged Revenues and having a lien thereon subordinate to the liens of the Loan Agreement and the Note.

Section 15. DEFAULT. The following shall constitute an event of default under the Loan Agreement:

(A) The failure by the Borrower to pay the principal, interest and administrative fees on the repayment of the Loan set forth in the Loan Agreement and Note when due and payable either at maturity or otherwise; or

(B) Default by the Borrower in any of its covenants or conditions set forth under the Loan Agreement (other than a default described in the previous clause of this section) for 60 days after the NMED has given written notice to the Borrower specifying such default and requiring the same to be remedied.

UPON OCCURRENCE OF DEFAULT:

(A) The entire unpaid principal amount of the Interim and Final Promissory Note plus accrued interest and the administrative fees thereon may be declared by the NMED to be immediately due and payable and the Borrower shall pay the amounts due under Note from the Pledged Revenues, either immediately or in the manner required by the NMED in its declaration, but only to the extent funds are available for payment of the Note from Pledged Revenues. However, if insufficient funds are available for payment of the Note(s) from Pledged Revenues, the NMED may require the Borrower to adjust the rates charged by the System to ensure repayment of the Note.

(B) If default by the Borrower is of covenants or conditions required under the federal grant, the Borrower may be required to refund the amount of the Loan Subsidy Grant disbursed to the Borrower from NMED.

(C) The NMED shall have no further obligation to make payments to the Borrower under the Loan Agreement.

Section 16. ENFORCEMENT; VENUE. The NMED retains the right to seek enforcement of the terms of the Loan Agreement. If the NMED and the Borrower cannot reach agreement regarding disputes as to the terms and conditions of this Loan Agreement, such

disputes are to be resolved promptly and expeditiously in the district court of Santa Fe County. The Borrower agrees that the district court for Santa Fe County shall have exclusive jurisdiction over the Borrower and the subject matter of this Loan Agreement and waives the right to challenge such jurisdiction.

Section 17. REMEDIES UPON DEFAULT. Upon the occurrence of any of the events of default as provided in the Loan Agreement or in Section 15 of this Ordinance, the NMED may proceed against the Borrower to protect and enforce its rights under the Loan Agreement or the Note by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained in this Ordinance, the Loan Agreement or the Note for the enforcement of any proper legal or equitable remedy as the NMED may deem most effective to protect and enforce the rights provided above, or to enjoin any act or thing which may be unlawful or in violation of any right of the NMED, or to require the Borrower to act as if it were the trustee of an express trust, or any combination of such remedies. Each right or privilege of the NMED is in addition and cumulative to any other right or privilege under this Ordinance or the Loan Agreement and Note and the exercise of any right or privilege by the NMED shall not be deemed a waiver of any other right or privilege.

Section 18. DUTIES UPON DEFAULT. Upon the occurrence of any of the events of default as provided in Section 15 of this Ordinance, the Borrower, in addition, will do and perform all proper acts on behalf of and for the NMED to protect and preserve the security created for the payment of the Note to ensure the payment of the principal, interest, and the administrative fee on the Note promptly as the same become due. If the Borrower fails or refuses to proceed as required by this Section, the NMED, after demand in writing, may proceed to protect and enforce the rights of the NMED as provided in this Ordinance and the Loan Agreement.

Section 19. TERMINATION. When all obligations under the Loan Agreement and Note have been paid, the Loan Agreement and Note shall terminate and the pledge, lien, and all other obligations of the Borrower under this Ordinance shall be discharged. The principal amount of the Note, or any part thereof, may be prepaid at any time without penalty at the discretion of the Borrower and the prepayments of principal shall be applied as set forth in the Loan Agreement.

Section 20. AMENDMENT OF ORDINANCE. This Ordinance may be amended with the prior written consent of the NMED.

Section 21. ORDINANCE IRREPEALABLE. After the Loan Agreement and Note have been executed and delivered, this Ordinance shall be and remain irrepealable until the Note has been fully paid, terminated and discharged, as provided in this Ordinance.

Section 22. SEVERABILITY CLAUSE. If any section, paragraph, clause or provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 23. REPEALER CLAUSE. All bylaws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

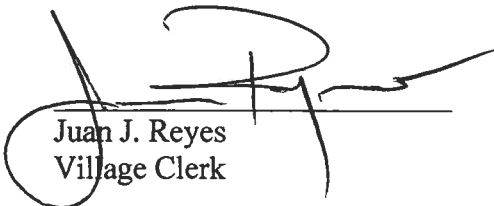

Section 24. PUBLICATION OF NOTICE OF ORDINANCE; EFFECTIVE DATE. Upon due adoption of this Ordinance, this Ordinance shall be executed by the Mayor and the Village Clerk and shall be recorded in the book of ordinances of the Borrower kept for that purpose, and the title and general summary of the subject matter contained in this Ordinance shall be published in a newspaper which is of general circulation in the jurisdiction of the Borrower and the Ordinance shall be in full force and effect thereafter, in accordance with law.
