

VILLAGE OF CORRALES

RESOLUTION NO. 14-15

A Resolution Sponsoring, in Coordination with the Friends of the Corrales Library, a Father's Day Concert on June 15, 2014

Whereas, a civic celebration popularly known as the Father's Day Concert was held beginning in June, 1979 and most of the years following until 1995; and

Whereas, the event featured prominent local, and sometimes nationally-known, musicians and musical groups, thus attracting audiences of Corraleños, guests and visitors from across the metropolitan area; and

Whereas, with affordable prices for tickets and beverages, proceeds were generated which provided substantial assistance to the construction and improvement of the Corrales Community Library; and

Whereas, the non-profit Friends of the Corrales Library wishes to resume the Father's Day Concert to pursue its ongoing contributions to the success of the Corrales Community Library and its programs; and

Whereas, the Village's La Entrada Park adjacent to the Library is an ideal venue for a resumption of the Father's Day Concert tradition; and

Whereas, the Governing Body of the Village of Corrales desires to co-sponsor the Father's Day Concert being planned for June 15, 2014; and

Whereas, if alcoholic beverages are to be served, the Friends of the Corrales Library agrees to obtain the relevant Special Dispenser's Permit from the New Mexico Alcohol and Gaming Division; and

Whereas, the Friends of the Corrales Library understands that the Village administration utilizes an Events Permitting Process for activities conducted on Village property and the Friends agrees to follow those procedures; and

Whereas, the non-municipal organizational and preparation expenses for the Father's Day Concert will be borne by the Friends of the Corrales Library and through contributions from interested citizens, not through budgeted expenditures

of the Village of Corrales, and the net proceeds will be received by and available to the non-profit Friends' for its programs; and

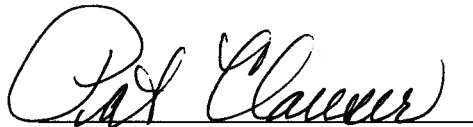

Whereas, the Friends of the Corrales Library have attended a Parks and Recreation Commission meeting and completed the Village's Event Permitting process,
