

**VILLAGE OF CORRALES  
STATE OF NEW MEXICO**

**RESOLUTION NO. 17-011**

**RESOLUTION SUPPORTING THE LOMA LARGA DRAINAGE AND REPAVING  
PROJECT AS A 2018 MUNICIPAL ARTERIAL PROJECT APPLICATION**

**WHEREAS**, the proposed project is aimed at Loma Larga Road: including the intersections of Coronado, Meadowlark and Cabezon Roads.

**WHEREAS**, these facilities are used by vehicle traffic commuting between Rio Rancho/Albuquerque as well as being a key link in the Regional Bicycle Trail.

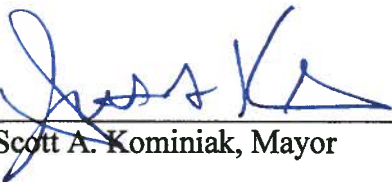

**WHEREAS**, for years the traffic volume has increased and the safety issues identified by a recent New Mexico Department of Transportation traffic safety audit has made it clear that prioritizing repair to Loma Larga Road is critical for the Village of Corrales.

**NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE OF CORRALES,  
NEW MEXICO GOVERNING BODY, that:**

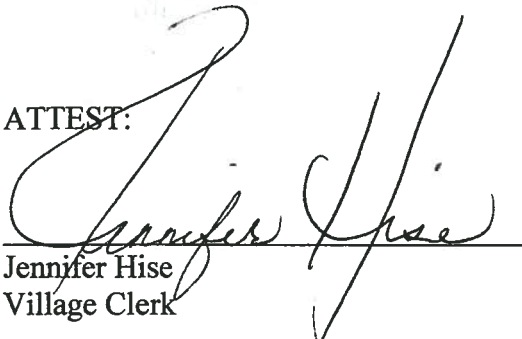

The Village of Corrales Council strongly supports the proposed project improvements for Loma Larga as described in the attached documents.

ADOPTED AND SIGNED this 14<sup>th</sup> day of March 2017.
