

VILLAGE OF CORRALES

RESOLUTION NO. 17-031

A Resolution Adopting a Trails Master Plan for the Village of Corrales.

WHEREAS, in 2009 a draft Corrales Trails Master Plan was prepared for the Village of Corrales (the “Village”) by Resource Technology, Inc.; and

WHEREAS, the Village Council, the governing body of the Village (the “Governing Body”) subsequently appointed a Master Trails Task Force consisting of knowledgeable volunteer citizens of the Village to review the previous work by Resource Technology, Inc. and other materials and resources, with the goal of updating and making appropriate revisions to the draft Corrales Trails Master Plan and presenting a revised version of the plan for consideration by the Governing Body; and

WHEREAS, the Master Trails Task Force has worked diligently for over two years to develop an appropriate trails master plan for the entire Village, to incorporate trails and pathways as routes for the use of pedestrians, bicyclists, and equestrians for general transportation, recreation, and other purposes, including children walking or bicycling to and from school; and

WHEREAS, the Master Trails Task Force has presented to the Governing Body for consideration a draft Corrales Trails Master Plan dated June 2017, which was developed on the basis of the 2009 plan, with amendments recommended by the Master Trails Task Force, taking into account the multiplicity of needs and the many owners of rights of way and other property in the Village suitable for the location, development, maintenance and use of trails and pathways throughout the Village; and

WHEREAS, the Governing Body finds that the adoption of the proposed Corrales Trails Master Plan dated June 2017 is an important step in the development of a trails network for the community, which itself is an integral part of the Governing Body’s goals for development of transportation and recreational opportunities and for the improvement of quality of life in the Village; and

WHEREAS, the Governing Body therefore finds that the Corrales Trails Master Plan as presented should be adopted as the master planning document for trails and pathways in the Village.

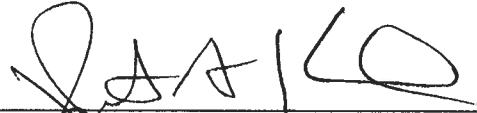

NOW, THEREFORE, BE IT RESOLVED by the Governing Body of the Village of Corrales, that:

1. The **Corrales Trails Master Plan** dated June 2017 is hereby **ADOPTED** by the Governing Body as the master planning document for development of trails and pathways in the Village.

2. The Governing Body expresses its thanks and appreciation to all of the members of the Master Trails Task Force for their diligent and effective work in creating the Corrales Trails Master Plan and in working with other agencies and governmental bodies to develop a sound basis for implementation of the Corrales Trails Master Plan with the cooperation of all the entities involved.

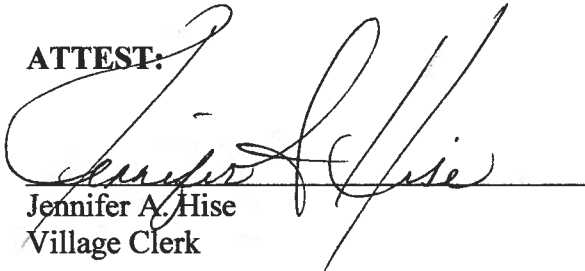

PASSED, APPROVED AND ADOPTED by the Governing Body of the Village of Corrales this 11th day of July, 2017.

APPROVED:

The Honorable Scott A. Kominiak
Mayor

ATTEST:

Jennifer A. Hise
Village Clerk
